Located in the heart of Pawleys Island, this unit will provide you with a comfortable place to stay while you explore all that the area has to offer. The Hammock Coast of South Carolina offers wonderful dining, award winning golf courses, unique shopping experiences and of course, pristine beaches! While staying be sure to check out all that the True Blue Golf resort has to offer....tennis, 5 pools, golf at True Blue course and Caledonia as well as dining at both courses! The breakfast at the True Blue GrillRoom is one of the very best and you can even order it to go. After breakfast drive over to the beach, just across Highway 17 and see why the locals love it here. The actual Island is bordered by the Atlantic on the East and a tidal marsh (creek) to it's West, making this a fishermen's paradise. You can rent kayaks from Pawleys Island Kayaks and paddle through the creek or hang your fishing pole over the North Causeway to see if the fish are biting. Be sure to watch for the Shrimp man during shrimp season, he will park on the corner in the parking lot of Pawleys Island Supply and sell FRESH shrimp by the pound...this is a local and visitor favorite---they always taste great and the price is unbeatable! Be sure to take a drive 15 minutes South, to the historic seaport City of Georgetown. South Carolina's third oldest city which boasts oak-lined avenues, riverfront shopping and dining, a scenic Harborwalk, dozens of majestic antebellum mansions, and a rich history. Every October the city puts on a wonderful WOODEN BOAT SHOW where thousands flock to see unique boats from all over as well as watch wooden boats being built. It's a super family event.
